The Young Leaders Academy

Subject: Testimonial of Appreciation – Reading Initiative Support

Asalamu Alaikum warahmatulahi wa barakatu.

Dear Sir.

On behalf of *Sivananda Technical High School*, I wish to extend our sincere appreciation to *The Young Leaders Academy* for the two impactful presentations conducted at our school in **2023 and 2024**.

These sessions ignited a renewed passion for reading and personal growth among our learners. Arising out of these presentations, our learners themselves motivated for the establishment of a *Book Club* within the school. This initiative came to fruition with the official launch of the Book Club on **11 September 2025**, an event in which your representative played a valuable and inspiring role.

We remain deeply grateful for the contribution of *The Young Leaders Academy* in fostering a culture of reading, leadership, and self-development at our institution. We look forward to continued partnership in empowering our learners through literacy and leadership initiatives.

Yours faithfully,

**Mr. Abdullah Jeffry Mkhabela**  
Deputy Principal  
Head of Curriculum & SMT  
Sivananda Technical High School
