**RE: THANKS AND APPRECIATION**

On behalf of the staff and learners, I would like to extend my sincere gratitude for the insightful and inspiring Reading Programme hosted at our school on Wednesday, 06 August 2025 and Thursday, 07 August 2025 under the banner of Iqraa Trust.

The session was not only visually stimulating but also deeply engaging and meaningful for the learners. The thoughtful presentation style and passion for reading and literacy captured the attention of everyone present. A special thank you to Iqraa Trust and also Advocate Mahomed Vahed for creating such a positive and impactful experience. It was particularly moving to witness how the workshop instilled a genuine desire in our learners to read.

We also express our gratitude for providing each of our learners with a sweet treat as well as for the prizes which motivated our learners to participate actively in the presentation.

We look forward to more opportunities for networking with you and making a difference in the lives of our deserving learners.

Thanking you
